Who are we ?

We are an established language school, conveniently situated in Chavannes-de-Bogis.

What do we do ?

We offer language courses in English, French, German, Italian and Spanish, both at the school and in companies.

What's new ?

We are starting an after-school writing support programme for Young Learners from 5-14 years old.

Why ?

Because we feel that there are many children who can speak English well but who need extra support in reading and writing to enhance and maintain these skills.

How do we do it ?

By means of a carefully planned programme, with emphasis on learning through fun, in a relaxed and child-friendly environment.
